

Auto-Retractable Industrial Knife

#10560

ambidextrous

reinforced nylon handle*
*glass filled nylon

lanyard hole

textured auto-retractable side slider button

quick-release blade change

extra-long safety blade auto retracts

extends up to 7.5 cm

includes 1 Slice® ceramic blade

slice ceramic technology
 safer than metal blades™
 up to 11x longer lasting vs. steel

longer-lasting Slice® safety blades

- never rust
- non-conductive
- non-magnetic
- non-sparking
- chemically inert
- safe up to 1600°C
- no sharps box needed
- no oil coating

Why Slice®?

- Slice® patented safety blades are safer than traditional metal blades
- Slice® blades last up to 11.2x longer than steel blades
- fewer blade changes means less downtime and fewer injuries
- Slice® blades never rust, do not conduct electricity, are non-sparking, and are non-magnetic
- Slice® blades are oil and lubricant free
- safer finger-friendly® edge cuts materials effectively
- blades do not require sharps box disposal and are 100 percent recyclable
